- B. To ensure the reliability of service and the safety of the general public, line clearance of trees shall be done in compliance with all existing governmental laws, ordinances, rules and regulations.
- C. The construction of said lines shall be in accordance with the rules and regulations of the Michigan Public Service Commission or its successor.
- D. The said grantee, before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, wires, pipes, mains, conduits, or other apparatus shall notify, in writing, the Township or its representatives of the proposed construction, and shall if the Township so requires, file with them a sufficient plan and specification, showing the nature and extent of the proposed erection and construction.

No street, highway, alley or public place shall be allowed to remain open or encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the grantee shall at all times conform to all ordinances of the Township, now or hereafter in force, relative to the fencing and lighting of obstructions and excavations.
- F. The grantee shall save the Township harmless from any judgment that may be recovered against the Township by reason of the wrongdoing or neglect of the said grantee in the erection and maintenance of said poles, mains, wires and other apparatus or construction
- G. Said grantee shall make due provisions, upon five (5) days notice in writing, by raising its wires or otherwise, for the passage of any barn, building or other structure on or over any street, highway, or public place occupied by the poles, mains, wires and other apparatus of said grantee.

In consideration of the granting of this franchise, grantee agrees that its rates and charges for electrical service in the Township of Goodland shall not exceed its rates and charges for like service elsewhere in its service area, as evidenced by its uniform rate schedules at the time on file with and approved by the Michigan Public Service Commission. It is understood that the grantee is subject to regulation by the Michigan Public Service Commission and that any order, rule, or regulation by that Commission, or its successor, will prevail over any regulation herein contained or provided for in case of conflict.

Section 4.

This grant shall take effect if said grantee shall, within fifteen (15) days from the date of the passage of this Ordinance, file with the Township Clerk, its written acceptance of the terms of the same, and upon confirmation of this grant, by the affirmative vote of a majority of the electors of said Township voting on the franchise at a
