Court decisions and Michigan statute have indicated that in order for the Appeals Board to grant a variance an unnecessary hardship or practical difficulty must exist. The ZBA is also obligated to conform to any specific standards which may be contained in the local Zoning Ordinance and ensure that the spirit of the Ordinance is observed, public safety secured, and substantial justice is done. To establish eligibility, please verify—in detail—the existence of the following four factors. The answers will be used to support the decision. In addition, please be aware that financial hardships are not sufficient for qualification.

1. The situation was not self-created: _____

2. The circumstances are unique to the property: _____

3. The character of the neighborhood will not be altered by granting the variance: _____

4. The land cannot be **reasonably** built upon in conformance with the Zoning Ordinance: _____

Signature of Owner(s): _____

Signature of Applicant(s) (if other than owners): _____

This application **must** be accompanied by the required fee(s) and eight (8) copies of a **scale** drawing of the entire property showing existing and proposed property lines, structures, buildings, road rights-of-way, driveways, points of ingress and egress, parking areas, dimensions, fencing, landscaping, signs, bodies of water, and other significant physical features. (Sample drawings are available upon request.) This petition will be acted upon by the Zoning Board of Appeals only after a public hearing is conducted. FAILURE TO MEET THESE REQUIREMENTS WILL RESULT IN A REJECTION OF THE APPLICATION!!!

****Desicions have 21 days, from the date the minutes are approved,
to appeal to Circuit Court!!!****
